

SHANTANU PATHAK

SUMMARY

General Practitioner offering a strong background in diagnosis, treatment and medical care. Expertise in the effective treatment of diverse conditions by thoroughly evaluating patients, reviewing medical histories and interpreting test results. Talented at devising treatment plans eliminating or involving the lowest possible dose of pain medication to prevent dependency issues and reduce circulation of such medicines. Experienced General Practitioner with proven success in providing consultations with assessment, treatment and management of patients of all ages. Friendly and motivated team player. Works as part of wider clinical team supporting Nurse Practitioners, GP colleagues and training Doctors.
