### Resident Doctor

Sachkhand Hospital is a 100 bed block hospital. It has various medical facilities and facilities to admit patients. It is an RGHS ,TPA, Pradhan Mantri Ayushman Yojana related hospital.

○ 2018-2023

Graduation

### Bachelor of Ayurved and master in surgery

National Institute of Ayurveda is a central level institute where Ayurveda as well as allopathy are taught . This institute is run with a 200-bed hospital, so students get a good opportunity to practice clinically here. Along with IPD, there is an OPD of something like 1500 daily in which you interact with different types of patients and get information related to them. There is also a high level central laboratory here where all Diagnostic tests are available where students learn to diagnose easily.
