Hello, thanks for attention!

I'm currently working as campus ambassador for marketing and broadcasting at IMUN.

I learnt many new things, having good collaboration with my colleagues ... we together built amazing experiences and that's team work.

Home Tutor

home tuition, Virtual

Job • May 2021 - Present (3 years 4 months)

I worked as a home tutor .. mentoring 10+ students of class 8 to 12 in a time span of 3 years. I built a conceptual framework to make my students understand things quite easily on a daily basis, my power subjects were during my mentorship bio, english

POSITIONS OF RESPONSIBILITY

Hounga youth delegate for Bridging up gap initiative is like nothing more to achieve thing and being selected for Hounga scholarship is like cherry on the top to avail all those connection across the globe is just phenomenal ..

Recently got selected for United Nation UK community out of many applicants and being the youngest in that group is just amazing and proudful for me ... working with people with so much great experience and ideas to turn the whole world is just wow

Out of 1000s of applications I got selected by MONASH UNIVERSITY OF AUSTRALIA for internship, it an overwhelming feeling for me to be shortlisted and selected candidate for this awesome internship and will give my 100% to this ...

I've been selected for V- Force India Volunteer (By UN). I feel so happy&proud to be its part because this team is not only stepping to create change but to break taboo against society and bringing on fair results 😊

Hello, thanks for your moment to read this ..
Currently i'm working as U-Reporter for India as collaboration of unicef and yuwahh (education ministry part) and while working here I learnt not only abt self awareness but also learnt socialism...

TRAININGS

Investment Banking

Accenture, Online

Jul 2024 - Aug 2024

I learnt the basics of investment banking and analytics through forage's Accenture job simulation

Supply Chain Management

Upgrade, Online

Aug 2022 - Aug 2022

Get to know about Supply chain and production management from world class faculties is amazing and especially when we interacted about our topics in mass

Social Entrepreneur

HP, Online

Jan 2022 - Feb 2022

It was an amazing course its like I really feel good i've learnt this skill of entrepreneur at this another level and I would say I will be regretting if I ever missed up this opportunity.

I learnt various this abt turning obstacles not to the solution only but into the business , which can help not one or two person but a set of society

I learnt abt time management with the proportionality of human resource management.

I also learnt how to turn liabilities into assets and not only to be a entrepreneur but to a change maker !!

Health Imparties Disease (History Terms)

Harvard Medical School, Harvard

Aug 2021 - Aug 2021

As a part of this course I learnt abt many things abt ongoing pandemic that is Covid-19 and the history of many deadly diseases as well as currently stimulating healthcare industry and upcoming updates abt the management of diseases...and this was my pleasure to get taught by know faculties of Harvard university😊

PROJECTS

United nations v force

May 2022 - Jun 2022

Volunteering for UN is luke great privilege nd opportunity at same who doesn't want to be a part of UN and working

for economy and social equality project is just can't articulated in words...

Annual volunteer

Nov 2017 - Nov 2017

It was a memorable job I did for my school yet now ...I got chance to work with my senior leaders and also with many amazing teachers

And being the supervisor volunteer for junior classes & as part of stage setting and decor managing team was 👍
